With the dawn of a new academic session, the school comes alive with fresh hopes and new aspirations. Adding a divine touch, a sacred havan was performed on the auspicious occasion of Hanuman Jayanti, filling the environment with positivity, peace, and spiritual energy.

May this new beginning inspire every student to grow, learn, and shine with strength and dedication.

EARTH DAY

Earth Day was celebrated in the school with great enthusiasm to promote awareness about protecting our Mother Earth. The celebration concluded with an Earth Day Pledge, where students committed to adopt eco-friendly habits and safeguard the planet. "Let us nurture the Earth today, so it continues to nurture us tomorrow."

Investiture ceremony is the best way to inculcate leadership qualities among students. Students took oath to assist teachers in smooth functioning of school, and also guide the students to maintain discipline and decorum in school. The shining proud faces of all those selected for the prestigious posts were simply a testimony to their confidence and also voicing silently that they are ready to carry out their commitments perfectly.

***Empowering educators, inspiring excellence—our
Capacity Building Programme fostered learning,
collaboration, and professional growth.***

Capacity Building Programme on Gender Sensitivity
The training programme on Gender Equity and Sensitivity was conducted to engage teachers through interactive activities, presentations and thought-provoking discussions.

The programme encouraged teachers to reflect on their role in shaping students' attitudes and behaviours. It highlighted the significance of creating learning experiences that promote fairness, respect for individual differences and a sense of belonging among all learners.

MASD PUBLIC SCHOOL “A UNIT OF SHRI SD EDUCATION SOCIETY (REGD)”

A CBSE Capacity Building Workshop was conducted by the esteemed Resource Persons who guided the teachers through the key provisions and vision of the National Education Policy 2020.

The sessions provided a comprehensive understanding of the transformative reforms envisaged under NEP 2020, with a special emphasis on holistic education, competency-based learning, multidisciplinary approaches, and the development of 21st-century skills.
